

Dear New & Old Friends:

Thank you all for your help and support during these months of campaigning for the Florida Legislature. Our message of fighting to put families first was extremely well received as demonstrated by the outpouring of voter support (18,281) during these historic elections.

We extend our most sincere thanks and gratitude to the hundreds of you, who have contributed - time, talents and treasure to our efforts. We have been honored by the support from community leaders including Mayor Carlos Alvarez, Chairman Bruno Barreiro, School Board member Dr. Marta Perez, and many others.

Marile and I are truly blessed to have so many old and new friends join us in this journey. We have learned so much more about the neediest in our community as well as about ourselves. Public service truly is our calling and the Florida Legislature where we hope to have the greatest impact ... on to Victory in 2010.

Once again, thank you for your unwavering support and friendship. We also thank you for keeping our entire family in your prayers; politics is no easy calling!

We look forward to hearing from you and know that together we can change the course of events and secure a better future for our families and our great State of Florida.

Warmest personal regards,
